

More Volunteers Needed!!

PLC OPEN GARDEN DAY – Friday 16 October

Thank you to everyone who has volunteered their time to help at Open Garden Day. Although we have had a great response to our call for volunteers, we still do not have enough help. Former PLC students are also welcome to get involved.

The success of Open Garden Day depends on each and every one of you, so please get involved. You will be contacted closer to the date by email, phone or mail. If you have any queries, please phone Jo Cook (0409 197 718) or Patty van der Walt (0419 041 712).
